

3. Name of Sub-Division		Americo Viola
<p>Discussion: Members that had information on this issue were not able to attend. They will submit their information on time of next meeting. Re-quote the cost of making and installing the new plaque Spring berry Gate Entrance. There were several options of how the sign can be changed. Firstly, to have the sign broken down and install a new sign. There was an approx. cost of \$3000-\$5000 to do this. Secondly, to have a bronze plaque installed on top of the current sign. This method needs to be investigated further.</p>		
<p>Conclusions: Need to re-price on the making of the plaque with both options open.</p>		
<p>Action items: Company names that can make this change possible will be given at next meeting. Will also ask the company researched on an estimate of the cost to complete this.</p>	<p>Person responsible: F. Casciaro D. Casale Corry Cashera</p>	<p>Deadline: 25 NOV 03</p>
4. Schools		Americo Viola
<p>Discussion: Asked of which location the school will be built. The proposed site will be North West corner of Napa Valley and Forest Fountain. They have already started to clear the area. The school is to be completed by Fall 2005. It was proposed to maybe initiate the process for naming the school after Padre Pio since it will be associated with St. Padre Pio Parish.</p>		
<p>Conclusions: No action required</p>		
<p>Action items:</p>	<p>Person responsible: N/A</p>	<p>Deadline: N/A</p>
5. Parks South/West Corner of Major Mackenzie/Islington		Americo Viola
<p>Discussion: WEA District Park has just begun with construction. The safety fence is being erected now and the park should be completed by the fall of 2004. It is a large undertaking.</p>		
<p>Conclusions :</p>		
<p>Action items: Need to understand if lights will be added in front of out sub-Division so the families can cross safely to use the park. Mario Ferri to be contacted to see when the next review will be?</p>	<p>Person responsible: Americo Viola</p>	<p>Deadline: 25 NOV 03</p>
6. Traffic Calming		Open Forum
<p>Discussion: There are just too many people that are going thru the stop signs. They are actually homeowners themselves that live in the sub-division that go through the stop sign and/or speed. There was actually an incidence that a car almost hit a child. The child was getting off the school bus and the car went around the school bus stop sign that was flashing. It was also stated that the school bus is stopping at the wrong corner.</p>		
<p>Conclusions: Must speak with Mike Dokman, Senior Traffic Engineer. He can guide us through the process in trying to get speed bumps. Not sure whether or not there is still a moratorium on new traffic calming committees or not but he can certainly answer all our questions.</p>		
<p>Action items: We will initiate the awareness by distributing a general letter to all homeowners in the sub-division. This will state the issues and appreciation in correction of this problem.</p>	<p>Person responsible: Americo Viola</p>	<p>Deadline: 25 NOV 03</p>

7. Traffic Lights		Open Forum
<p>Discussion: The lights for Spring Berry Gate/Sunset Ridge and Islington come under the jurisdiction of the Region of York's Transportation Dept. and we have to rely on them to decide whether or not a light is warranted. They do traffic counts, etc. to make this determination. I have placed an inquiry on your behalf but I have not received a response yet. Once I know something, it will be e-mailed us.</p>		
Conclusions:		
Action items:	Person responsible: Americo Viola Tony Alati	Deadline: 10 OCT 03
8. Open Forum		All members
<p>Discussion: There were several issues that were brought up for discussion:</p> <ul style="list-style-type: none"> ☞ <u>Communication of the meetings:</u> it was stated that we should create a flyer that goes to all households that are registered in the Carrying Place Rate Payers Assoc area. All members need to be given the minutes as they are issued. They must also be hand delivered if not present at the meetings. Better communication is required. All members will distribute this flyer. Tony, Americo and Corry to meet and discuss the information that will be required on this flyer. After this completed, we will send it to Ezio to have it completed graphically. ☞ <u>City Minutes from Vaughan Council:</u> have not been receiving the minutes or agenda from the city. We are not listed in Rate Payers list? Americo to investigate ☞ <u>Neighborhood Watch:</u> all found it necessary to try and make the area keep its standards of being a safe area. Lisa Simone will investigate on what is required to have such a concept initiated and completed. ☞ <u>Block Party:</u> all agreed to have ideas brought to our next meeting to have a block party organized for next year ☞ <u>Member Registration:</u> we will need to go around and update/collect for the annual membership fees. Household fee is \$5. The cost will go towards photocopying, flyers, meeting rooms and etc. ☞ <u>Association Voting Process:</u> Will need to discuss on what process to follow in selecting and length of term the Executives in this Association. ☞ <u>Logo for Association:</u> Ezio Sbrizt to get the logo digitally photographed from the Lakeview Entrance and e-mailed to Tony so it can be added to all minutes.
